Press Release – for immediate release

Paul Zerdin and his Puppet friends are back on stage by popular demand, and bringing their no-strings antics to Worthing in a fabulous ventriloquist performance.

Winner of America's Got Talent in 2015, and star of London's Palladium Panto, this is a ventriloquism show that bucks any old ideas you had about the artform with pure entertainment and see-it-to-believe-it live tricks. Prepare to be amazed at the Pavilion Theatre, Monday 01 November, 7:30pm.

Zerdin comes with an entourage of puppets, and he's honed his cast of characters to a fine art. Sam, Albert, Baby, Roger the bodyguard and an urban fox have all survived 2020 locked down with Paul....well, nearly. Now they simply can't wait to be out of the box and to meet audiences on the road! Each puppet has their own fully-formed personality with not only their own voices and points of view, but pet peeves too. Zerdin may think he's the star of the show, but they may have something else to say on the matter...

As well as his hilarious characters, this show allows us to get a peek behind the proverbial curtain where Zerdin can show us what it's like to be able to throw your voice across a room, and how he uses it in everyday situations where truly anything can talk back. Suddenly typical items like letterboxes or handbags develop a life of their own, leaving the audience to question what that kind of performance power does to someone's daily interactions and relationships? Discover all with one of Britain's finest entertainers this autumn.

Paul Zerdin - Hands Free is being performed at the Pavilion Theatre on Monday 01 November 2021, 7:30pm. Tickets are available from £21.50. For more information on this or any of the events, visit www.wtam.uk or call the WTM Box Office on 01903 206 206.

'The best ventriloquist Britain has discovered for many years...' - The Stage

'If you think the words 'brilliant' and 'ventriloquist' have no place in the same sentence, go and see Paul Zerdin for some brutal re-education' - Evening Standard

'Technically immaculate, it's what he does with his slick talent that really sets him apart. His relationship with the characters has all the dramatic tension of a real life double act' - The Guardian
